

FOR IMMEDIATE RELEASE

## **Training Services Division Awarded Subcontract Task Order to Continue U.S. Coast Guard (USCG) C3CEN Seawatch Maintenance and Management System Instructor Support**

Effective February 1, 2017 Allen Corporation's Training Services Division was awarded a one-year option period task order to continue to support Seawatch Maintenance and Management System for the USCG C3CEN located in Portsmouth, Virginia. Allen is a member of the Engineering Systems Consultants, Inc. Team that provides the C3CEN and other USCG activities command, control and communications support under the Technical Engineering Development and Support Services Contract. The Seawatch instructor support is a five-year contract that will provide instructor services at the C3CEN and aboard Coast Guard cutters and other afloat units located in the continental United States, Hawaii, Puerto Rico and Alaska. Other primary tasks that may be performed under this task order include curriculum and training material updates and participation in Seawatch meetings and working groups.
